Dear Mr. Ingraham:

Senate Majority Leader Bill Frist and I invite you, on behalf of the Senate Majority leadership and Republican Senators involved in the AIDS issue, to a special meeting in the U.S. Capitol Building to spotlight the work of exemplary U.S.-based multinational corporations including, ResourceLinC, in the AIDS battle overseas.

We are planning to hold a meeting with CEOs attended by Senator Frist and other key Senators. This meeting will give you an opportunity to brief the Senators on your AIDS initiatives, as well as to give the Senators a chance to commend you for your efforts and brief you on pending AIDS funding legislation in Congress.

The meeting will be held on Tuesday, April 8, at 3 p.m., in the Mansfield Room of the Capitol (S-207), and will last approximately one hour. The format will be an informal, roundtable discussion, with brief reports from each of the CEOs and discussion with the Senators.

If you are able to attend, please contact Elizabeth Keys as soon as possible in the Senate Republican Conference at 202-224-2928 (e-mail: elizabeth_keys@src.senate.gov).

Sincerely,

Rick Santorum
Chairman
